**RESPONSE TO NOTICE TO FILE CORRECTED
APPLICATION PAPERS**

Dear Sir/Madam:

In response to a Notice to File Corrected Application Papers mailed June 23, 2004 in the above-identified application, Applicants have attached replacement drawings in compliance with 37 CFR 1.84 and 37 CFR 1.121 for each drawing originally filed in this application.

In the Notice to File Corrected Application Papers, Figure 11B was indicated as apparently omitted from the application. Applicants point out that this Figure was not omitted from the application as originally filed; rather, it was merely mislabeled. In particular, although the brief description of the drawings in the specification indicates a reference to Figures 11A and 11B, the corresponding figures themselves were inadvertently labeled as Fig. 11, and Fig. 11A. Accordingly, Applicants provide herewith a Preliminary Amendment to address the inconsistencies between the drawings and the specification.

If any questions arise in connection with the foregoing, the Office is encouraged to contact the undersigned representative at the number indicated below. Favorable action is requested.

Respectfully submitted,
Sanjiv N. Singh, et al., Applicants
